Explorers of all ages will hit the deck on one of Christopher Columbus' historic ships while firing water canons and walking the plank plunging down our triple mermaid slide. The pirate's lagoon will be full of treasures and the wee little ones will enjoy a zero depth entry adventure land just their size. Throughout the voyage explorers will drop anchor at Castaway Cay to surrender their hunger in the galley and take their share of the loot. Beware mates, no weary traveler will want to miss Discovery Island.

The New World Inn & Conference Center
offers over 20,000 square feet of
banquet space including 12 spacious rooms that can
accommodate parties from 5 to 1,000 people.

A wonderful place to hold wedding receptions, birthday
parties, retirement gatherings, meetings, business
dinners and large conferences.
